

TOP TEN: Women Motorcycle Photographers

Written by Cara Mae McGuire - Last Updated Thursday, 15 October 2009 06:41

We pay tribute to women who not only live “it” but see “it” from a different angle -the motorcycle lifestyle that is, those gals who are hidden behind the lens and lights of a camera. Check it!

#1 Sara Liberte

Sara Liberte’s dynamic photographic twist of mind, body and machine melts a person’s soul and the spirit
